4 - ENTRIES

4.1 – Closing date for entries:

Monday, March 25th, 2019 at 16:30hrs

4.2 - Entry procedure:

Any person wishing to take part in the 35th Spring Rally must complete and send the entry form (including co-driver details) to the Rally Office (for address details please refer to Art. 2.3 of this Supplementary Regulations).

All entry forms must be signed by the entrant and each crew member prior to the start of testing and/or reconnaissance. Foreign competitors must hold an authorisation from their parent National Sporting Authority.

Entry forms will only be accepted if accompanied by:

- The total amount of the entry fees.
- A deposit against the tracking devices.
- Photocopy of the first page of the homologation book for the car.
- Photocopy of the entrant / competitor licence.
- Photocopies of crew members' competitions licences.
- Photocopies of crew members' valid driving licences.
- A letter from the owner of the car and/or a power of attorney (if the car is not the property of the crew members).

4.3 - Number of entrants accepted and classes:

The maximum number of entries is 40 cars. If more than 40 entries are received, the Organisers reserve the right to decide which entries (among the non-priority drivers) to be accepted.

4.4 - Classes and Groups:

The eligible vehicles to participate in rallies are as follows:

a) Homologated Vehicles

All vehicles classes described in Article 4.1 of the 2019 FIA Regional Rallies Championships Sporting Regulations, excluding RGT class cars. The concerned cars must be in conformity with Appendix J of the F.I.A International Sporting Code for the running year.

• Additional provisions:

- Cars homologated as Kit cars, where the capacity is between 1400 and 1600cc, may be accepted if they also comply with Article 255-6.2 “Weight” of Appendix J.
- Two-wheel drive cars equipped with a supercharged diesel engine with a nominal cylinder capacity of less than 2000cc are accepted in Groups A and N.
- For drivers entered with a Super 2000-Rally car complying with 2013 Appendix J, Art. 255A, it will be possible to use lapsed errata without any penalty.
- For Super 1600 homologated cars, it will be possible to use lapsed errata without any penalty.
- An FIA technical passport is mandatory for S2000, R5, and Super 1600.

- The complete original FIA homologation form and other necessary certifications must always be available.

b) Vehicles with Expired Homologations and ASN Approved Cars:

- In Compliance with Article 2.7.1.c of the 2019 FIA International Sporting Code, cars whose homologations have expired and, still accepted by the FIA, up to a maximum of eight years before the beginning of the current year, *i.e. Jan 1st 2011 up to Dec 31st 2018.*
- **ASN Approved Cars**, in Compliance with the 2019 National Sporting Code, Appendix C, Article 1.1.b.ii and, Article 4.3.6 of the 2019 FIA Regional Rallies Championship Sporting Regulations whose homologations have expired between nine and ten years before the beginning of the current year, *i.e. Jan 1st 2009 up to Dec 31st 2010*, excluding RGT cars, are permitted to participate in the 35th Spring Rally. **These cars must, however, comply with the safety requirements as stipulated in Appendix J, Art. 253.**
- It is **MANDATORY** for these vehicles within this category to be in conformity with their expired homologation forms and, in a sound condition to participate, at the discretion of the scrutineers. These cars may only be accepted for participation if the correct, though expired, homologation papers are produced at documentation and at scrutineering.
- The size of turbo restrictors used on turbo-equipped cars must be in conformity with Appendix C of the 2019 National Sporting Code.
- The minimum weights are those currently valid.
- FIA and Lebanese ASN seeded drivers are not permitted to drive such cars in the 35th Spring Rally.

4.5 - PROMOTION classification

There will be a PROMOTION classification for the Lebanese competitors with the following conditions:

- To hold the Lebanese nationality and competition licence.
- Not to be FIA priority driver.
- Not to be MERC priority driver.
- Not to be an A.S.N. priority driver.
- The car must be the property of one of the crew members and not the property of any dealer or manufacturer.
- Have not been classified among the first 3 during the past two years at the Rally of Lebanon.

A list of PROMOTION classification will be issued at the same time along with the entry list.

4.6 - Entry fees and entry packages:

4.6.1 The entry fees are as follows:

- With the optional advertising proposed by the Organisers
 - * For Private Entrant USD750. - U.S. \$
 - * For Legal Entrant USD1,500. - U.S. \$
- Without the optional advertising proposed by the Organisers
 - * For Private Entrant USD1,500. - U.S. \$

* For Legal Entrant

USD3,000. - U.S. \$

Private Entrant: For an entry for the 35th Spring Rally to be considered as a private entry, the following conditions must be complied with:

- a) The car entered must be personal property of one of the crew members and the car licence must be in his/her name.
If the car is not the property of one of the crew members, a letter of authorisation from the owner of the car and/or a power of attorney approving the use of the car should be accompanied along with the entry form.
Letters of authorisation and/or powers of attorney dated more than three months before the date of the rally will not be considered.
- b) The entry form must be made in the name of one of the crew members, not in the name of a sponsor or any commercial organisation.
- c) The entrant's competition licence must be in the name of one of the crew members.

Unless all of the above-mentioned conditions are met, the entry will not be considered as a private entry and the appropriate entry fees will be liable for payment.

Legal Entrant: The competing car entered by a team, a manufacturer, a company or other legal entity (with legal entrant / competitor's licence).

4.6.2 The entry fees specified in Article 4.6.1 (aforementioned) include:

Item	Private Entrants	Legal Entrant
Driver Passes	2	2
Service Personnel Passes	6	8
"Service" plates	1	2
Road Book	1	1

Should additional material deem necessary; it can be ordered from the rally secretariat by using the "Additional materials order form".

4.4.3 The change of one crew member will be subject to article 21.4 of the 2019 FIA Regional Rally Sporting Regulations. However, an additional fee of 50.- U.S. \$ will be imposed in case of changing a crew member.

4.5 - Payment details:

Entry Fees can be remitted to the Organiser's Bank Account:

Bank address: Kaslik Branch

Account N°: 023 - 02(300) 067 36 21 - 1 - 6(44037) and to the order of The Automobile and Touring Club of Lebanon

IBAN: LB21 0014 0000 2302 3000 6736 2116

SWIFT CODE: BLOMBBX

Any bank charges incurred by a swift transfer must be charged to the sender's account.

Entry fees paid by bank transfer shall simultaneously be advised to the Rally Office by fax and/or e-mail to ensure that payment is received in full prior to the close of entries.

4.6 - Refunds:

Entry fees will be refunded in full:

- a) To candidates whose entry has not been accepted.
- b) In case the 35th Spring Rally does not take place.
- c) Organisers may refund up to 30% of the entry fee to those competitors who, for reasons of “force majeure” (duly certified by their ASN), were unable to start in the rally.

5 - INSURANCE

- a) The insurance guaranties the competitors for civil liability towards third parties for a maximum of USD 100.000 as total liability for this event. The insurance cover will come into effect from the start until the end of the rally or at the moment of permanent retirement, disqualification or exclusion.
- b) Beside the insurance provided by the organisers, it is compulsory for all entrants / competitors to have their rally vehicle covered by a third-party liability, during their stay in Lebanon.
A copy of the insurance certificate should be presented along with other documents upon administrative checks (refer here under to Art. 10.3 of these Supplementary Regulations).
- c) It is mandatory that all foreign crew members have Motor Sport Personal Accident Insurance valid for Lebanon, or a Prise-en-Charge issued by the crew members parent ASN. Otherwise, the Organiser will provide such insurance for a premium of 250. - U.S. \$.
- d) The service, management vehicles and reconnaissance vehicles including those bearing special plates issued by the Organisers may never be considered as official participants in the rally. They are therefore not covered by the insurance policy of the rally and will remain the sole responsibility of their owners.
- e) Damages to rally cars as well as liability of a crew member towards the other crew member or car are not covered by the insurance provided by the Organisers.
- f) **Accident Reporting:**
In compliance with Article 40.4 of the 2019 FIA Regional Rally Sporting Regulations, “If a crew is involved in an accident in which a member of the public sustains physical injury, the car must stop immediately, and the procedure as laid down in Article 40.3.1 must be followed”. All crews stopped by this procedure will be allocated a time according to Article 39 of the 2019 FIA Regional Rally Sporting Regulations.

However, if the driver fails to observe this rule, the stewards of the meeting may impose on the responsible crew a penalty which may go as far as disqualification.

Moreover, it is compulsory for the competitor or his representative to notify the Clerk of the Course and/or the Competitor's Relations Officer(s) in writing within 4 hours with the full details including the names and addresses of those involved and witnesses if any.

6 - ADVERTISING AND IDENTIFICATION

6.1 - Advertising:

- a) The advertising of tobacco products is allowed on the condition of mentioning the required warnings recommended by the Lebanese government according to the Lebanese law at the time of going to print.
- b) Advertising regarding alcoholic beverages is permitted.
- c) The advertising of political, religious and/or social material is strictly forbidden.
- d) Competition numbers, rally plates and advertising shall be affixed on the car before scrutineering. These must be visible through the whole duration of the rally under the pain of penalty (Article 6.2-b of these Supplementary Regulations.).
- e) Spaces set by the Organisers (refer to Appendix 4 of this Supplementary Regulation) must be reserved on the car, if the entrant has accepted the Organiser's optional advertising, unless he pays the Entry Fees without Optional Advertising proposed by the Organisers in accordance with Article 4.6.1-b of this Supplementary Regulation.

6.2 - Identification numbers:

- a) The rally plates and numbers will be provided by the Organisers in compliance with the FIA Regional Rally Sporting Regulations. These numbers must be affixed as specified in Appendix 4.
- b) The missing and/or covering of a rally plate will result in a cash penalty of 100. - U.S. \$
- c) Service and/or auxiliary vehicle plates shall be affixed on the inside of the windscreen in the top right-hand corner of the vehicle.

7 – TYRES

- a) All tyres must comply with Article 60 of the 2019 FIA Regional Rally Sporting Regulations read in conjunction with Appendix V, Article A - Tarmac Tyre Regulations.

The list of eligible asphalt tyres for FIA rallies, which are the only tyres allowed, can be found on the FIA website under the following link:

<https://www.fia.com/regulation/category/117>

- b) The use of slick tyres is prohibited.
- c) In accordance with Article 60.1.6 of the 2019 FIA Regional Rally Sporting Regulations, the use of any device for maintaining the full performance of the tyre with an internal pressure equal to or less than atmospheric pressure is forbidden. The interior of the tyre (the space between the rim and the internal part of the tyre) must be filled only with air.
- d) In accordance with Article 60.13 of the 2019 FIA Regional Rally Sporting Regulations, all tyres used in this rally must be readily available commercially.
- e) Tyre changes may only be carried out in authorised zones.
- f) Tyre marking zones will be organised after the exit TC of the Service Park.
- g) Any breach of the tyre regulations will be submitted to the Stewards and may result in a penalty, which may go as far as the disqualification of the crew by the Stewards.
- a) If precipitation conditions prevail (precipitation greater than 30% of dry conditions), free rain tyres are allowed. The use of rain tyres is up to the crew's own discretion, and under crew's own responsibility with respect to safety judgment, no responsibility being imputable to the organisers.

8 – FUEL

8.1 Fuel supply

8.1.1 - Throughout the 35th Spring Rally all entered cars shall **SOLELY** use fuel supplied by “TOTAL Liban”, which meets the technical requirements of FIA Appendix J.

Any bank charges incurred by a swift transfer must be charged to the sender's account.

Moreover, a copy of fuel purchase invoice should be presented along with other documents in the administrative checks.

In case of failure to collect part of the fuel, the purchaser will be refunded with the corresponding amount of the remaining fuel in sealed canisters ONLY for TURBO, Turbo REF type, within 15 days after the end of the rally.

8.1.5 Fuel dispense

The fuel will be dispensed to the competitor or his representative (duly assigned in writing) at the refuelling zone – as indicated in the Road-Book - subject to presenting the voucher given by “TOTAL Liban” and in compliance with the schedule filled on the Fuel Purchase Order and mutually agreed upon between “TOTAL Liban” and the purchaser.

It is the competitors' responsibility to fill the appropriate form given by TOTAL Liban regarding the quantity to be dispensed at each of the refuelling zones in the rally.

8.2 General provisions

- a) The fuel tank capacity should meet and cover the time and distance table of the rally, *i.e. the rally itinerary*.
- b) Except as detailed under Article 50 and in accordance with Article 58.1 of the 2019 FIA Regional Rally Sporting Regulations, competitors may only refuel in the refuel zones designated by the Organisers in the road-book. Other activities inside the refuelling zone are strictly prohibited.
Any breach of these regulations will be reported to the Stewards who may apply penalties at their discretion which may go as far as the disqualification of the crew.
- c) Refuelling procedure (Article 58 of the 2019 FIA Regional Rally Sporting Regulations):
 - Only actions inside a refuelling zone directly involved in the refuelling of the competing vehicle are permitted.
 - In all refuelling zones, a 5 kph speed limit will apply.
 - The responsibility for refuelling is incumbent on the competitor alone.

- It is **MANDATORY** for the relevant personnel for the refuelling to be wearing clothing which will provide adequate protection against fire.
 - Engines must be switched off throughout the refuelling operation.
 - It is recommended that the crew remains outside the car during refuelling; however, should they remain inside, their safety belts must be unfastened.
 - Solely for the purpose of assisting with the refuelling procedure of their car, two team members of each crew may access this zone.
 - A car may be pushed out of the zone by the crew, officials and/or the two team members without incurring a penalty.
- d) The organisers may make provisions for additional refuelling zones. However, these additional zones shall only be positioned along the itinerary. Except for refuelling rally vehicles, any other kind of servicing is strictly prohibited.

Any breach of the fuel and/or refuelling regulations will be submitted to the Stewards and may result in a penalty, at their discretion, which may go as far as the disqualification.

9 - RECONNAISSANCE

9.1 - Procedure for registration:

- b) Reconnaissance cars must be in conformity with Article 25.1 of the 2019 FIA Regional Rally Sporting Regulations; and must be covered by insurance as required by the traffic laws of Lebanon, no responsibility being imputable to the organisers.
- c) When registering for reconnaissance, one of the crew members must be present to sign an indemnity and register the details of the reconnaissance car (spare recce car, if any), mobile telephone number and contact details of the place of residence.
- d) The Reconnaissance Registration Form can be collected from the Rally Secretariat or downloaded from the A.T.C.L. official website. This form should be filled and sent to the Rally Secretariat before commencing the reconnaissance.

9.2 – Reconnaissance Schedule:

The road book will be issued on Thursday, March 28th, 2019, and will be distributed between 12:00 and 16:00hrs.

The Reconnaissance Schedule starts on Friday, March 29th, 2019, at 08:00hrs and ends at 17:00hrs. No Reconnaissance allowed outside these mentioned dates and times.

Any competitor found in breach of this rule, will be reported to the stewards who may apply penalties at their discretion.

9.3 - Specific and national restrictions – speed limit:

- a) Reconnaissance outside the aforementioned Reconnaissance Schedule, Article 9.2 of this Supplementary Regulation, as from the dates of publication of the itinerary on the ATCL official website, to the date and time of the Start of the Rally is **PROHIBITED**. The presence of any driver or co-driver, or any other team member who has entered or intends to enter in the 35th Spring Rally, outside the Reconnaissance Schedule, on any part of a special stage to be used in the rally, in any way whatsoever, is considered as **Illegal Reconnaissance**, and a breach of this supplementary regulations; he or she will be reported to the stewards who may apply penalties at their discretion.
- b) Crews will only be permitted to enter and leave special stages through the start and finish controls shown in the Road Book and may not under any circumstances drive in a direction opposite to that of the rally.
- c) Maximum speed limit of **70 km/h** during reconnaissance is imposed on all special stages, unless another speed limit is indicated by traffic signs. **While passing thru populated villages, the maximum speed limit is restricted to maximum of 50 km/h.**
In compliance with Article 20.2.2 of the 2019 FIA Regional Rally Sporting Regulations, speeding during reconnaissance will incur a fine applied by the clerk of the course as follows:
- Per km per hour over the speed limit: € 25
- The amount of this fine will be unaltered by any fine imposed by the police.
- The fine will be doubled in case of a second offence committed during reconnaissance in the same rally.
- Other traffic infringements during reconnaissance will incur a fine applied by the Steward.
- d) All cars must have their headlights on at all times whilst travelling on the special stages.
- e) Any breach of the reconnaissance regulations, of the 2019 FIA Regional Rally Sporting Regulations and these Supplementary Regulations, will result in a penalty, which may go as far as disqualification, at the discretion of the Stewards.

9.4 - Fitment of speed control checking devices:

It is emphasized that reconnaissance is not a practice run. The competitors must drive in a manner that does not endanger or cause inconvenience to traffic or people living within and near the stages. During reconnaissance, the traffic laws of Lebanon must be strictly complied with as well as the safety and rights of ways of other road users should be respected.

The police may check the speed on the road sections and the special stages using speed check equipment.

9.5 – Compulsory Drivers Briefing

A briefing will be given to the competing crews by the clerk of the course, his deputy and/or by an appointed official.

The briefing will target specific points of the rally and of these Supplementary Regulations relating to the organisation of the event, give any clarification concerning the interpretation of the regulations, and to remind the drivers of the safety provisions, either specific and/or general.

The participation of both or one of the crew members is compulsory.

Team managers may attend the meeting.

The briefing will be held at 19.30hrs on Friday, March 29th, 2019 at the:

Silo Motors (Broumana)

It is mandatory that a minimum one member of each crew to attend this briefing, from the starting the time set here-above. A fine of €200 shall be applied on the crew who breaches this regulation.

9.6 - Comment on tyres:

Complying with Article 25.2.a of the 2019 FIA Regional Rally Sporting Regulations, road-homologated series production tyres for asphalt are to be used for reconnaissance.

Any breach of the reconnaissance regulation is tracked or reported, shall result in a penalty at the discretion of the Stewards, which may go as far as disqualification. Furthermore, the Stewards may report the competitors concerned to the CSN for possible further sanctions.

10 - ADMINISTRATIVE CHECKS

10.1 - Location:

Administrative checks shall take place on Friday, March 29th, 2019 at the:

Silo Motors (Broumana)

Both crew members have to attend the administrative check. However, Legal Entrants as well as FIA and ASN priority drivers may appoint a representative and/or a team manager (duly assigned in writing) for their entries.

10.2 - Times / schedule:

From 18:00hrs till 21:30hrs, according to an individual time schedule given later in a bulletin or a communication and posted on the official notice board at The Automobile and Touring Club of Lebanon; Jounieh - Lebanon.

Any crew reporting outside their time limits for Administrative Checks will be penalized 15. - U.S. \$ per minute to maximum of 15 minutes. Thereafter, they will be reported to the Stewards who may apply penalties at their discretion.

10.3 - Documents to be presented:

The following items will be checked at Administrative Checks:

- Entrants' licence (if any).
- Drivers' and Co-drivers' competition licences.
- Valid drivers' and Co-drivers' driving licences.
- Rally car documents and registration papers etc...

If the car is not the property of one of the crew members, a letter of authorisation from the owner of the car and/or a power of attorney

APPENDIX 5:

EXTRACTS FROM FIA APPENDIX L

1. Helmets

All drivers must wear crash helmets which meet one of the standards listed in FIA Technical List N° 25.

When the use of a Frontal Head Restraint system (FHR) is mandatory, only helmets approved in accordance with FIA standard 8858 (Technical List N°41), 8860 (Technical List N°33) or 8859 (Technical List N°49) are authorized.

2. Flame-resistant clothing

On special stages of rallies, all drivers and co-drivers must wear overalls as well as gloves (optional for co-drivers), long underwear, a balaclava, socks and shoes homologated to the FIA 8856-2000 standard (Technical List N°27).

Users must ensure that garments are not too tight, as this reduces the level of protection.

Embroidery sewn directly onto the overalls shall be stitched onto the outermost layer only, for better heat insulation. Backing material of badges and thread used for affixing them to the overalls must be flameproof.

Printing on drivers' clothing must be carried out only by the manufacturer of the product and must be flameproof and in conformity with the standard ISO 15025. It must not reduce heat transmission performance as defined in Appendix L, Article 8.2. (see Appendix 1 of the FIA 8856-2000 Standard for detailed requirements and instructions for use).

3. Frontal Head Restraint (FHR)

The wearing of any device intended to protect the head or neck and attached to the helmet is prohibited, unless the device has been homologated according to the FIA 8858 standard. Homologated FHR systems are listed in the FIA Technical List N° 29. The minimum reclined HANS collar angle shall be 60° from the horizontal.

Any padding used between the driver and the HANS® yoke must not be more than 15 mm thick when the driver is seated in the car fully equipped with the harness tightened. The padding must be covered by a flameproof material in conformity with the standard ISO 15025 and the padding must not be wider than 8 mm on each side of the HANS® yoke.

FHR systems must be worn only with FIA-approved items according to the following chart:

Helmet	Tether system (tether, tether end fitting and helmet anchorage)
FIA 8860 (Technical List N° 33) FIA 8858 (Technical List N° 41) FIA 8859 (Technical List N° 49)	FIA 8858 (Technical List N° 29)

For more details, when the device used is the HANS[®], the “Guide for the Use of HANS[®] in international motor sport”, published by the FIA Institute for Motor Sport Safety, can be found on www.fia.com, under the heading FIA Sport - Regulations - Drivers’ Equipment.

4. Safety Belts

Drivers must be properly restrained in their seat by safety belts in conformity with the specifications of Appendix J for the vehicle concerned, at all times during an event when it is mobile on a circuit, pit lane, special stage or competition course.
